Dear Mr. Aftergood,

This letter is in response to your Freedom of Information Act (FOIA) request of 5 March 2008 requesting a soft copy of all unclassified, publicly releasable documents contained in <http://www.doctrine.quantico.usmc.mil>; alternatively, that public access to the website be restored. Your request was received by this office on 5 March 2008 and assigned file number 08-066.

Please be advised that there is a publicly available area on the USMC website for unclassified publications:

-www.usmc.mil

- Click on Publications tab in the blue border (right-hand side)
- Click on Orders & Directives
- Click on Miscellaneous Pubs
- Click on Doctrine Pubs

At the current time it is not a complete list; however, publications are actively being loaded with the goal of having all distribution A publications (approved for public release) loaded onto this site as soon as possible.

There are no search fees associated with processing your request.

Should you desire additional information pertaining to this matter, please contact Captain Snyder at (703) 784-2399.

Sincerely,

A handwritten signature in cursive script that reads "E. C. Snyder".
