

Non-Disclosure Agreement

I recognize that a significant factor in the successful and proper preparation and completion of the President's budget is the strict confidentiality that must be observed by all government participants in the planning, programming, and budgeting process, and that a failure to comply with these confidentiality requirements may compromise the Administration's ability to formulate and submit its budget.

I certify that I understand my obligation under Office of Management and Budget Circular No. A-11, section 22.1, and DoD Directive 7045.14, para. 4.7, to preserve the confidentiality of information related to the formulation of the President's budget. I understand that the budget-related information covered by this agreement includes planning, programming, and budgeting system documents and databases, and any other information, predecisional or otherwise, concerning the Administration's deliberation of the nature and amounts of the President's budget for Fiscal Year 2010, and any supplemental budget request submitted during the current fiscal year.

I pledge that I will not divulge the budget-related information covered under this agreement to any individual not authorized to receive it, and under no circumstances will I disclose such information outside the Department of Defense and other government agencies directly involved in the defense planning and resource allocation process, such as the Office of Management and Budget.
