Attachment 8

(U) Declassification Determination

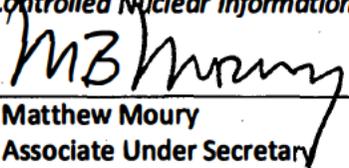

I have determined, pursuant to section 142c of the Atomic Energy Act of 1954, that the following information can be published without undue risk to the common defense and security of the United States, and can, therefore, be declassified and removed from the category of Restricted Data:

- Total quantity of non-pit metal plutonium shipped from Rocky Flats Plant (RFP) to Savannah River Site (SRS)

(b) (7)(E)

Also, appropriate special nuclear material inventory information should continue to be classified National Security Information as required by *Classification and Unclassified Controlled Nuclear Information Guide for Nuclear Material Control and Accountability*.
